Firstly, re-confirm your interest by emailing John Perrin <john@hakomi.com.au>

Signing up for a three-year training is a big commitment. Since the cohesion of the training group forms a vital foundation for the learning experience, we want to ensure that students have a clear understanding of what they

are signing up for. For this reason, it is a pre-requisite for application to the training, that you have completed at least two Hakomi workshops.

Early in 2010, formal applications for the training will be invited. If your application is successful, you'll be invited to secure your place with a holding deposit. In due course, you'll be asked to complete an Enrollment Agreement.
